

Axis 360 eBooks & Audiobooks using Android Devices

Enjoy eBooks and digital audiobooks from your local library with the new **Axis 360** app! The **Axis 360** app links your device to your library and allows you to discover, download and read digital content on the go.

Axis 360 SmartLaunch triggers the appropriate readers and audio player required to enjoy your selections.

Start by visiting the **Google Play Store** and search for **Axis 360** to download and install the free app.

Swipe left for **tutorial** pages, or get started by tapping **Skip to find your library now**.

1) One-time Account Setup:

To find your library, enter the library name or search by location.

Enter your **Library ID** (barcode) and **PIN**.

**Your library and login credentials will be saved on your device.*

2) Find What You Want to Read.

eBook or Audio icons display at the corner of every item. Scroll through Just Added titles on the **My Library** page, or tap **Browse** to browse by subjects, or **Search** for items by title, author and keyword by tapping the magnifier icon at the upper right and entering a search term. If you want more details about any title, just tap the cover image.

3) Checkout and Enjoy!

When you are ready to borrow, just tap **Checkout**, then select your desired format from the prompt at the bottom of the page. Tap **Read Now** to open this book, or **Keep Browsing** to find and checkout more titles.

- ✓ Audiobooks open and begin to play immediately while the file downloads in the background.
- ✓ eBooks open in **axisReader** for EPUB and PDF formats, or **Blio** for a rich, interactive reading experience.
 - If the reading app is installed on your device, your eBook title will automatically open.
