

Winter Holiday Guide

Lithgow Library

Monday 8 July, 3pm

DIY Wood chimes - Using a variety of different materials, you are given creative range to create your own wind chime to take home.

Balloon Cars - Using a selection of recycled materials, we will construct our own cars. Then power them up by blowing into the balloon and seeing what happens.

Tuesday 9 July, 10am

"Wobbly House" - enjoy an art workshop hosted by Sandra Conway-Powel's and Geoff Bretherton. (bookings essential)

Wednesday 10 July, 10.30am

NAIDOC Storytime with Barrinang - There will be entertainment, craft, stories, refreshments and much more!

This year the theme for NAIDOC week is "Keep the fire Burning! Blak, Loud and Proud"

Thursday 11 July, 11am

Build a LEGO Snowman - put your creative skills to the test and use a variety of different LEGO pieces to create your own snowman.

Monday 15 July, 2.30pm

Snowflake Slime and Ice Painting - Explore your creativity and experiment with these fun sensory experiences as we explore winter and have lots of messy fun!

Portland Library

Thursday 11 July, 2.30pm

3D Salt Snowflakes - Come down to Portland Library and enjoy this crafty experiment as we use salt to create our own magical 3D Salt snowflakes.

Experiment with different colours to create your own piece of winter wonderland.

Lithgow Library

Wednesday 17 July, 10.30am

Teddy bear's picnic and sleepover - Enjoy a teddy themed Storytime with stories, craft and of course songs.

Everyone is encouraged to bring their own picnic blanket and packed snacks and after Storytime we will enjoy a family movie. Children are then welcome to leave their teddies at the Library for a teddy bear sleepover!

The teddies will be entertained and their activities will be documented through the Lithgow Library Facebook page.

This year will be bigger and better and you won't want to miss out!

Thursday 18 July, 10.30am

Teddy bear pick up - Come and pick up your Teddy bears from the Library from 10.30am, giving them time to have their breakfast before going home.

Friday 19 July, 2pm

Games afternoon - Games with friends, what could be better in winter?

Enjoy challenging your friends to a variety of indoor games. We will also have ping pong set up and ready to go!

Wallerawang Library

Tuesday 16 July, 10.30am

Snowball Pom Poms - Enjoy creating your own snowball pom poms using wool and imagination, we will also have DIY snowmen for you to build.

Wednesday 17 July, 2.30pm

LEGO City - Come to Portland Library and enjoy using your creative skills to build your own winter city using LEGO! Prizes will be awarded.

Eskbank House Museum

Pay a visit to Eskbank House Museum, the Lithgow districts regional museum. Set within a historic estate, the museum aims to collect, preserve and interpret the histories associated with the early settlement and development of the region. Enjoy a picnic in the grounds and take in the current exhibition;

Smart Inventions: Technology before the Smartphone

Smart inventions: technology before the Smartphone how did we meet up with our friends? Catch the 7:25 train? Listen to music? Share a photo memory? Share our ideas?

On exhibition at the museum are clocks and watches, gramophones and radios, cameras and photo albums, telephones, film and slide projectors, typewriters and adding machines.

Open: Wednesday to Sunday 10am to 4pm.

Museum entry fees apply \$5 and \$2.50 concession, children under 6 are free.

JM Robson Aquatic Centre

Come down and have a splash in the heated indoor pool. Contact our friendly team on 6352 9160 for more info.

Saturday 20 July, 9.30am

Potato Stamps - Feeling creative? Come to Portland Library and learn a new skill, creating potato stamps! Create your patterns and then test out your stamps.
